HIROSHIMA DAY

Special Assemblies are an integral part of learning at Shah International School; Ambika Vihar. Hiroshima Day was celebrated at Shah International School on 16th August 2014. Hiroshima Day commemorates 6 August 1945, the day when an atomic bomb was dropped on the Japanese city of Hiroshima, followed a few days later by another dropped on the city of Nagasaki. The bombings effectively ended World War II by bringing about the surrender of Japan, but at a terrible price - the two cities were destroyed and casualties, mostly civilians, were estimated at around 200,000, with many more people dying later from injuries and illness. Hiroshima Day is now a focus for anti-war and anti-nuclear discussions and demonstrations.
